

Triangle Grace Preschool

Application for Substitute Teacher

The philosophy of Triangle Presbyterian Preschool and Kindergarten:

- * To provide a Christian atmosphere where our children can grow and develop at their own maturity and ability.
- * To offer parents an opportunity to work with their own and others' children in a school setting and to provide an atmosphere where the parent can continue to learn and grow.
- * To lay a sound foundation for social and spiritual growth.
- * To foster the development of motor, intellectual, emotional, and social skills, each skill being equally important.
- * To foster the development of these skills with a "learning through play and experience" approach.
